2011-12 School Accountability Report Card Published During the 2012-13 School Year

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2011-12 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at www.cde.ca.gov/ta/ac/sa/. For additional information about this school, please contact the school administration at (949) 497-7750.

School Description

Laguna Beach High School is part of the Laguna Beach community. Sloping down the Laguna hills to the edge of the Pacific Ocean, Laguna Beach is known for its dramatic contrast of mountains and beaches. A center for fine arts, Laguna Beach's culture is as unique as its landscape.

The Laguna Beach Unified School District serves students in grades kindergarten through 12 by providing comprehensive educational programs through its two elementary schools, a middle school, and a high school. The District is proud of the high level of community support it receives and the commitment the community demonstrates towards its students. The Laguna Beach Education Foundation (School Power) was created by the community to provide additional funds to the District to support school programs and activities. Laguna Beach High School serves students in grades nine through twelve on a traditional school calendar. Our school has been recognized at the state and federal levels as a California Distinguished School and a National Blue Ribbon School. In 2011-12, 987 students were enrolled at the school. The student population consisted of 7.5% socioeconomically disadvantaged, 2.0% English learners, and 4.0% students with disabilities. Additional student body demographics are illustrated at right.

Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Laguna Beach High School. Our parents serve on the School Site Council, the English Language Advisory Council, and the Parent Teacher Association. Numerous programs and activities are enriched by the generous contributions made by the SchoolPower Education Foundation.

Parents who are interested in Laguna Beach High School's school committees, school activities, or volunteer programs may contact the principal at (949) 497-7750 or visit the school's website at www.lbusd.org.

District Mission Statement

Each student gains the knowledge, experience, world perspectives, and skills needed to become a lifelong learner and producer in a competitive and interconnected world.

Education in the Laguna Beach Unified School District

- Is challenging while insuring each student's successful experiences in education.
- Provides lifelong values, attitudes, and skills which promote public service and respect for others.
- Offers environments that spark individual curiosity and learning.
- Encourages an appreciation of differences, diversity and similarities.
- Ignites a commitment to learning, scholarship, creativity and service.
- Explores various career paths.
- Is relevant to each student's immediate and future goals, and
- Prepares graduates to adapt to change and deal with a technological age and a global environment.

Student Enrollment by Grade Level			
Grade Level	Number of Students		
Gr. 9	225		
Gr. 10	266		
Gr. 11	259		
Gr. 12	247		
Total	997		

The Schools in the Laguna Beach Unified School District are the convening points of the community and, as such, are connected with each other, the community, and the world through information-rich, interactive technology.

Laguna Beach Unified School District Goals

Goal One: Student Achievement

All students will demonstrate academic growth across content areas.

Goal Two: School Culture

Each student will strengthen connections to the school, the community, and the world by engaging in activities that build skills and responsibility.

Goal Three: Learning Environment

Safe, attractive, clean, and well-equipped learning environments will be provided for each student.

Goal Four: Staffing

The District will recruit, hire, train, and retain high performing staff.

Goal Five: Fiscal Responsibility

The District will maintain fiscal solvency and transparency to ensure support of student learning.

Student Enrollment by Group		
Group	Percent of Total Enrollment	
Black or African American	1.9	
American Indian or Alaska Native	0.3	
Asian	3.3	
Filipino	0.3	
Hispanic or Latino	9.6	
Native Hawaiian/Pacific Islander	0.1	
White	81.7	
Two or More Races	2	
Socioeconomically Disadvantaged	8.5	
English Learners	1.5	
Students with Disabilities	7.2	

Average Class Size and Class Size Distribution Number of Classrooms* **Average Class Size** 21-32 1-20 33+ 12 10 11 12 10 11 12 10 11 12 Year 10 11 English 23.7 23.6 22.5 19 13 23 19 22 11 6 5 6 9 6 Math 26.3 25.7 26.1 10 18 20 13 3 9 11 Science 28.4 29.3 29.3 4 5 24 16 3 14 4 10 10 28.3 27.3 9 13 11 12 SS 28.5 6 8 14 11 9

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

Suspensions and Expulsions				
School	09-10	10-11	11-12	
Suspensions Rate	7.7	6.63	5.97	
Expulsions Rate	0.1	0.1	.02	
District	09-10	10-11	11-12	
Suspensions Rate	4.15	4.16	3.6	
Expulsions Rate	0.07	0.1	0.06	

The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Safety of our students and staff is our primary concern. All visitors must sign in at the front office and wear identification tags while on school grounds. School staff and administrators are on duty during break, lunch, and before and after school to ensure the safety of all our students.

The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

A Comprehensive School Safety Plan was developed by the District in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include: child abuse reporting procedures; teacher notification of dangerous pupils procedures; disaster response procedures; procedures for safe entering to, and exiting from, school; sexual harassment policy; suspension and expulsion policies; dress code; and discipline policies. The school evaluates the plan annually and updates the plan as needed. The plan was last updated in September 2011 and is reviewed with our school staff at the beginning of each school year.

School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: September 2011

Laguna Beach High School provides a safe, clean environment for our students, staff, and volunteers. The school is situated on 12.2 acres and facilities were built in the 1930's. They span 102,720 square feet, and include classrooms, a gymnasium, a theatre, administrative offices, restrooms, and storage rooms. Recent modernization include the addition of three new visual arts classrooms in addition to three more new classrooms, a new dance studio, a new drama room, and a completely modernized band room. The facility strongly supports teaching and learning through its ample classrooms, staff resource room, and other beautiful facilities. The chart below displays the results of the most recent school facilities inspection.

School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

"Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

Laguna Beach Unified School District offers staff development and training opportunities to teachers, administrators, and instructional aides. The District offers one staff development buy-back day annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum and instructional strategies. To acquire specialized knowledge and skills, teachers at Laguna Beach High School participated in additional training on professional learning communities, 40 development assets, and technology. Staff development topics are determined based on needs assessment, input and feedback, DataDirector and STAR testing, and classroom observation.

Laguna Beach Unified School District offers two programs to support new and veteran teachers in their classroom skills and to ensure continued professional development. Beginning Teacher Support and Assessment (BTSA), a state-sponsored program, is designed for first and second-year credentialed teachers and provides skills assistance over a two-year period. The District's Peer Assistance and Review (PAR) program is designed to improve the education of students and enhance the classroom performance of teachers, targeting both new and veteran teachers. Laguna Beach High School teachers utilize these programs with the goal of accomplishing the highest level of success for our students.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers					
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers			
This School	100	0			
Districtwide					
All Schools 100 0					
High-Poverty Schools	0	0			
Low-Poverty Schools	100	0			

High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Academic Counselors and Other Support Staff at t	his School

Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

In addition to general fund state funding, Laguna Beach Unified School District received state and federal categorical funding for the following categorical, special education, and support programs:

- Title I
- Economic Impact Aid
- Class Size Reduction
- Instructional Materials
- Gifted and Talented Pupils
- Special Education
- Home-to-School Transportation
- School Improvement Program
- Peer Assistance and Review
- Educational Technology Assistance Grants
- Drug/Alcohol/Tobacco Education

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: October 11, 2011

Laguna Beach Unified School District sets a high priority upon ensuring that sufficient and current standards-aligned textbooks and materials are available to support our school's instructional program. Laguna Beach Unified School District held a Public Hearing on October 11, 2011, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to check out and take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks. Laguna Beach Unified School District follows the State Board of Education's six-year adoption cycle for core content materials. A committee consisting of administrators and teachers from each school establishes selection criteria based on state standards, reviews instructional materials on the state list, and makes recommendations to the Board of Education for final approval. The table lists information collected in September 2011 regarding the textbooks in use at Laguna Beach High School.

	Textbooks and Instructional Materials
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts The textbooks listed are from most recent adoption: Percent of students lacking 0% their own assigned textbook:	All textbooks are in adequate supply and in excellent to good condition. The school and district place great emphasis on providing students with the most up-to-date, state-adopted textbooks and instructional materials; 100% of students in each core subject subject area possess the necessary textbooks and instructional materials.
Mathematics The textbooks listed are from most recent adoption: Percent of students lacking 0% their own assigned textbook:	
Science The textbooks listed are from most recent adoption: Percent of students lacking 0% their own assigned textbook:	
History-Social Science The textbooks listed are from most recent adoption: Percent of students lacking 0% their own assigned textbook:	
Foreign Language The textbooks listed are from most recent adoption: Percent of students lacking 0% their own assigned textbook:	
Health The textbooks listed are from most recent adoption: Percent of students lacking 0% their own assigned textbook:	
Visual and Performing Arts The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	

Textbooks and Instructional Materials			
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption		
Science Laboratory Equipment The textbooks listed are from most recent adoption: Percent of students lacking 0% their own assigned textbook:	LBHS stocks an adequate supply of Science Laboratory Equipment for its students. Inventory includes, but is not limited to, ring stands, clamps, support rings, utility clamps, test tubes, test tube holders, test tube brushes, crucible tongs, flasks, beakers, and bunsen burners.		

<u>Note</u>: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include Englishlanguage arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

STAR Results for All Students - Three-Year Comparison									
	Percent of Students Scoring at Proficient or Advanced								
Subject	School District					State			
	09-10	10-11	11-12	09-10	10-11	11-12	09-10	10-11	11-12

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

2012 STAR Results by Student Group

Students with Disabilities	53	32	53	45	
Students Receiving Migrant Education Services					

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade	Percent of Students Meeting Fitness Standards				
Level	4 of 6	5 of 6	6 of 6		
9	8.1	19.5	70.3		

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison				
Crown	Actual API Change			
Group	09-10	10-11	11-12	
All Students at the School	26	8	24	
Black or African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino				
Native Hawaiian/Pacific Islander				
White	18	7	26	
Two or More Races				
Socioeconomically Disadvantaged				
English Learners				
Students with Disabilities				

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison						
API Rank 2009 2010 2011						
Statewide	10	10	10			
Similar Schools	4	7	6			

Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

Met Percent Proficient: Mathematics	Yes	Yes
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	Yes	Yes

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top oneeighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for Universitylevel work.

For general admissions requirements, please visit the UC Admissions Information webpage at www.universityofcalifornia.edu/admissions/. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU webpage at

www.calstate.edu/admission/admission.shtml. (Outside source)

Completion of High School Graduation Requirements

This table displays, by student group, the Percent of Students who began the 2011-12 school year in grade twelve and were a part of the school's most recent graduating class, meeting all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Dropout Rate and Graduation Rate					
· · ·			2010 11		
Indicator	2008-09	2009-10	2010-11		
Dropout Rate (1-year)	0.8	3	1.2		
Graduation Rate	97.83	96.54	97.96		
	District				
Dropout Rate (1-year)	0.8	3	1.6		
Graduation Rate	97.48	96.54	97.56		
Dropout Rate (1-year)	5.7	16.6	14.4		
Graduation Rate	78.59	80.53	76.26		

 The National Center for Education Statistics graduation rate as reported in AYP is provided in this table.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB. For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at cahsee.cde.ca.gov/.

CAHSEE Results for All Students - Three-Year Comparison Percent of Students Scoring at Proficient or Advanced							
Subject	Subject 2009-10 2010-11 2011-12						
English-Language Arts	85	83	87				
Mathematics	82	80	86				
	District						
English-Language Arts	84	83	86				
Mathematics	82	80	85				
English-Language Arts	54	59	56				
Mathematics	54	56	58				

Advanced Placement Courses (School Year 2011–12)					
Subject	Number of AP Courses Offered*	Percent of Students In AP Courses			
Computer Science	0				
English	5				
Fine and Performing Arts	1				
Foreign Language	3				
Mathematics	3				
Science	1				
Social Science	9				
All courses	22	8.8			

Where there are student course enrollments.

Group	English-Language Arts			Mathematics		
	Not Proficient	Proficient	Advanced	Not Proficient	Proficient	Advanced
All Students in the LEA	14	20	67	15	52	34
All Students at the School	13	20	67	14	52	34
Male	15	26	59	14	49	37
Female	12	15	74	15	55	31
Black or African American						
American Indian or Alaska Native						
Asian	7	7	86	7	36	57
Filipino						
Hispanic or Latino	21	33	46	26	48	26
Native Hawaiian/Pacific Islander						
White	12	20	68	12	53	34
Two or More Races						
Socioeconomically Disadvantaged	16	37	47	32	58	11
English Learners						
Students with Disabilities	72	11	17	71	18	12

Career Technical Education Participation				
Measure	CTE Program Participation			
Number of pupils participating in CTE	60			
Percent of pupils completing a CTE program and earning a high school diploma	2%			
Percent of CTE courses sequenced/ articulated between the school/ institutions of postsecondary education	.5%			

Courses for University of California and/or California State University				
UC/CSU Course Measure	Percent			
2011-12 Students Enrolled in Courses Required for UC/CSU Admission	76.1			
2010-11 Graduates Who Completed All Courses Required for UC/CSU Admission	63.1			

Career Technical Education Programs

This section provides information about Career Technical Education (CTE) programs including:

- Programs and classes offered that are specifically focused on career preparation and or preparation for work
- How these programs and classes are integrated with academic courses and how they support academic achievement
- How the school addresses the needs of all students in career preparation and/or preparation for work, including needs unique to defined special populations of students
- The measurable outcomes of these programs and classes, and how they are evaluated
- State the primary representative of the district's CTE advisory committee and the industries represented on the committee
