

IMPORTANT PARENT NOTICE

PROOF OF Tdap SHOT

According to California law, all students who enter 7th grade in the fall will need proof of an adolescent whooping cough booster shot (Tdap). Students who do not have proof of receiving a Tdap booster shot by the first day of school will not be permitted to attend school until appropriate proof is provided to the school. (The tetanus-diphtheria booster shot, Td, will not meet the requirement). **Schedules will not be given to students who have not submitted their Tdap documentation.**

The Laguna Beach Unified School District wants to insure that no student's educational experience is interrupted. I urge you to:

1. **Get your child's Tdap shot immediately.**
Find a vaccination clinic in Orange County at:
http://www.ochealthinfo.com/docs/public/pertussis/Tdap_Sites.pdf or
<http://shotsforschool.org>

2. **Submit your verification in one of the following ways:**
 - A) Fax your verification form, which is located on the reverse side of this page to:
Thurston Middle School 497-7798

 - B) Scan your verification and email to the District Nurse:
Pam Majd pmaid@lbusd.org

 - C) Drop off in the front office using the attached cover sheet.

Getting the adolescent **Tdap** shot now will not only help protect your child against the ongoing threat of whooping cough but will also meet the **California School Requirement**. If you have any questions, please contact our District Nurse, Pam Majd at 949 497-7700 x 5315
